

IEEE Italy Section - Esempio di uso di OU Analytics

Per effettuare operazioni, occorre essere connessi al sito IEEE con username e password (se non connessi, viene richiesta la connessione durante la ricerca)

Il link ad OU Analytics si trova nella pagina dei Volunteer Tools:

<https://mga.ieee.org/volunteer-hub/volunteer-tools/ou-analytics>

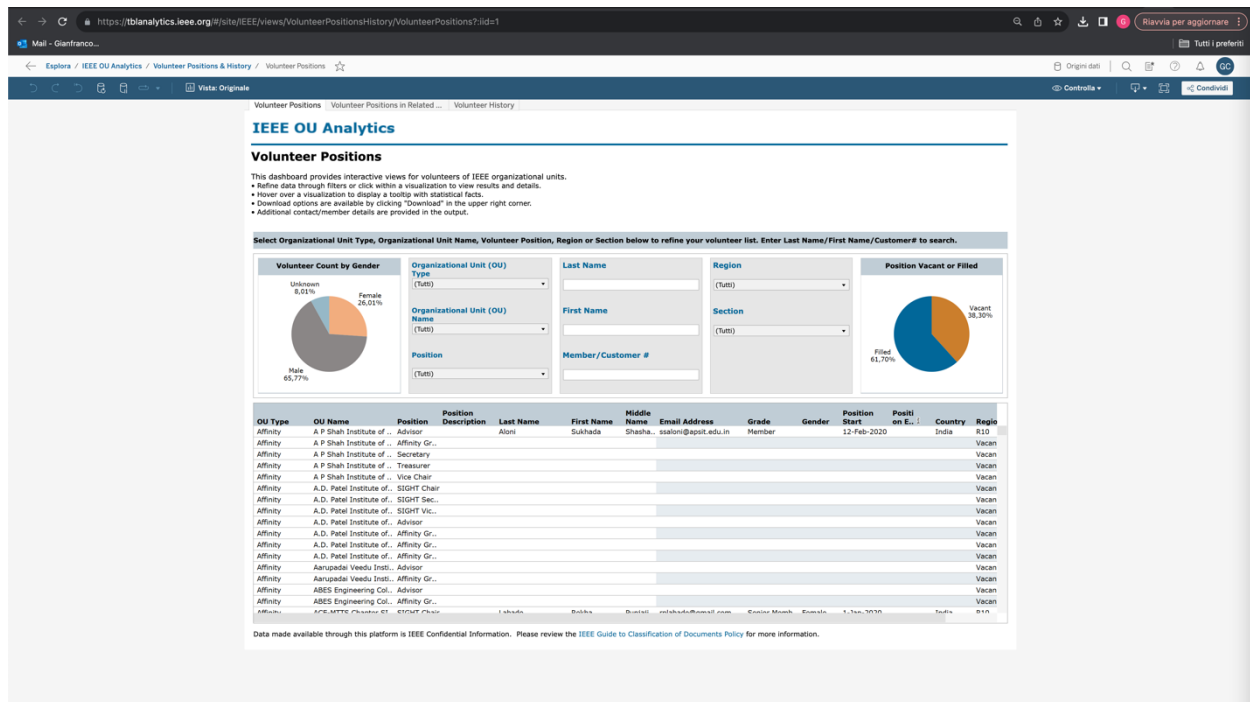

La videata per l'accesso è la seguente:

The screenshot shows the IEEE Member and Geographic Activities page. The top navigation bar includes links to IEEE.org, IEEE Xplore Digital Library, IEEE Standards, IEEE Spectrum, and More Sites. The user is logged in as Gianfranco Chicco. The main heading is "IEEE Member and Geographic Activities". Below this is a search bar for "Search Volunteer Content". The navigation menu includes Home, News, Awards, Board & Committees, Volunteer Hub (selected), Membership Development, Contacts & Roster, and Resources. The breadcrumb trail is: Home / Volunteer Hub / Volunteer Tools / OU Analytics. The left sidebar lists various categories: Geographic Unit Finances, Geographic Unit Operations, Volunteer Tools (selected), OU Analytics (selected), Who Has Access, Data Access and Use Policy, Reference Materials, Questions & Answers, and OU Analytics - User Groups. The main content area is titled "IEEE OU Analytics" and describes it as "A visual business intelligence tool for volunteer access to member data". It features a large button that says "<< Access IEEE OU Analytics >>". Below this, it states: "Use of IEEE OU Analytics must be in accordance with the IEEE Data Access and Use Policy." There is a section titled "Expanded Access for All Volunteers" which states: "Access to the below dashboards are open to all current reported volunteers. Reports do not contain member detail information. They only contain the current counts as specified by the report selected." This section lists three links: "Access the MAP Module", "Access the Doublet Dashboard", and "Access the Memberships and Subscriptions Monthly Statistics". A "Feedback" button is located at the bottom right.

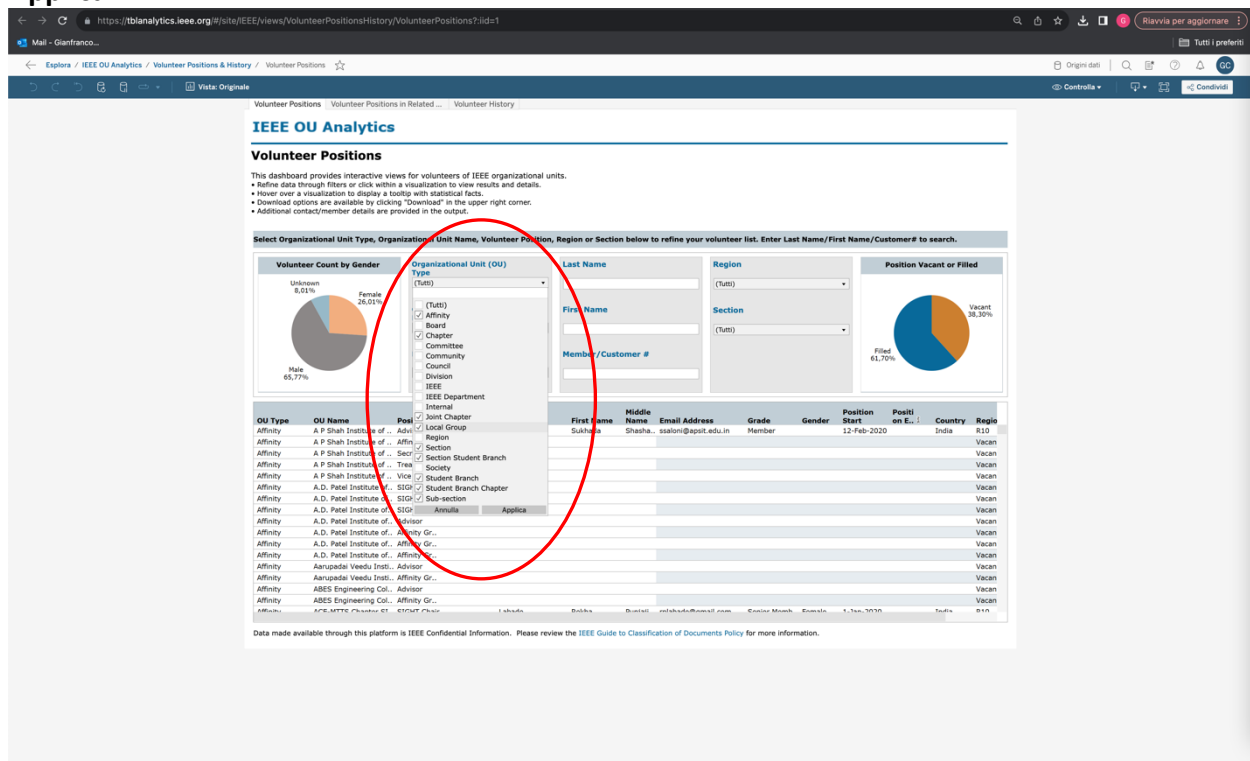

Le principali parti sono indicate nella pagina:

The screenshot shows the IEEE OU Analytics landing page. The top navigation bar includes links to Explore / IEEE OU Analytics / Landing Page / Landing Page. The main heading is "IEEE OU Analytics". Below this is a grid of six dashboard options: "Members and Affiliates" (Overview of geographic organizational unit members and participants), "Students" (Overview of students by geographic organizational unit and educational institution), "Volunteer Positions" (Current organizational unit volunteers including volunteer history), "Memberships (Societies, TCs, Affinities), Subscriptions, and More..." (Memberships, subscriptions, and participations by region, grade, gender, years of service, and renewal category), "Doublet" (Overlapping memberships of organizational units), and "Map" (Geographic display of organizational units and counts). Below the grid, there are links to "Learn more about IEEE OU Analytics", "Memberships and Subscriptions Monthly Statistics", "IEEE Conferences", and "Section Vitality Checklist". A note at the bottom states: "Note: Data displayed is based upon volunteer access privileges. Data made available through this platform is IEEE Confidential Information. Please review the IEEE Guide to Classification of Documents and Disclosure for more information."

Ricerca delle informazioni sugli officer dei Chapter, da **Volunteer Positions**. La videata generale che compare è la seguente:

Si può scegliere il tipo di **Organizational Unit (OU)**, come nell'esempio seguente, confermando con **Applica**:

Alla fine della selezione, nella finestra compare solo l'indicazione "valori multipli".

Per limitare la selezione a livello regionale, si sceglie **R8** dalla lista **Region** , confermando con **Applica**:

The screenshot shows the IEEE OU Analytics Volunteer Positions dashboard. The 'Region' dropdown menu is open, displaying a list of regions from R1 to R10. The region R8 is selected, and the 'Applica' button is visible at the bottom of the dropdown. The dashboard includes filters for Organizational Unit, Position, and Region, along with a table of volunteer positions and two pie charts showing gender distribution and position status.

Per limitare la scelta all'Italia, si sceglie **Italy Section** dalla lista **Sections** e si **Applica**:

The screenshot shows the IEEE OU Analytics Volunteer Positions dashboard. The 'Section' dropdown menu is open, displaying a list of sections. The 'Italy Section' is selected, and the 'Applica' button is visible at the bottom of the dropdown. The dashboard includes filters for Organizational Unit, Position, and Section, along with a table of volunteer positions and two pie charts showing gender distribution and position status.

Volunteer Positions

This dashboard provides interactive views for volunteers of IEEE organizational units.

- Refine data through filters or click within a visualization to view results and details.
- Hover over a visualization to display a tooltip with statistical facts.
- Download options are available by clicking "Download" in the upper right corner.
- Additional contact/member details are provided in the output.

Select Organizational Unit Type, Organizational Unit Name, Volunteer Position, Region or Section below to refine your volunteer list. Enter Last Name/First Name/Customer# to search.

Volunteer Count by Gender

Unknown 7.48%
Female 24.39%
Male 65.13%
