

IEEE MGA OUTSTANDING LARGE SECTION AWARD 2023

It is a great pleasure and honour to announce that the IEEE Italy Section has been recognized with the 2023 MGA Outstanding Large, Section Award, based on 2022 activities. Each year, the award is given to the best large Section worldwide. The Award Ceremony took place in Ottawa during the IEEE Section Congress in August 2023.

Thank you to all the members for contributing to the success of the Section!

IEEE Section Congress, Ottawa (Canada): the IEEE Italy Section receives the IEEE Membership and Geographic Activity (MGA) Outstanding Large Section Award 2023

IEEE AIM 2023

The 4th Edition of IEEE Advances in Magnetics (AIM 2023) was held in Moena (Trento), Italy, on 15-18 January 2023. AIM 2023 hosted about 190 participants from all continents, of which about one-half IEEE members. In the three days of the Conference, about 150 contributions were presented, among which 100 oral presentations and 50 poster presentations. Two Plenary Talks were held by Prof. Oliver Gutfleisch from TU Darmstadt (Germany) and Prof. Jordi Sort from Universitat Autònoma de Barcelona (Spain). A tutorial was held by Denis Makarov.

NEW ELECTED OFFICERS

The elected officers for the years 2023 and 2024 are:

Section Chair	Gianfranco Chicco
Section Vice-Chair	Giambattista Grusso
Section Secretary	Daniela Proto
Section Treasurer	Pisana Placidi

The newly elected officers started their mandate in January 2023.

MEMORANDUM OF UNDERSTANDING WITH AISI

The Memorandum of Understanding between the IEEE Italy Section and AISI (Italian Association of History of Engineering) was signed on 12 June 2023 in Naples, Italy, by Prof. Gianfranco Chicco (Chair of the IEEE Italy Section) and Prof. Francesca Romana d'Ambrosio (President of AISI).

UPCOMING EVENTS

- EUROCON is a major international forum for exchanging ideas, theory basics, design methodologies, techniques and experimental results between academia, research institutions and practitioners from industry. It covers all fields of electrical and electronic engineering, ICT and computer science covered by IEEE Societies and it is one of the flagship conferences of the IEEE Region 8. The conference will be held in Torino, Italy, from Thursday, July 6th, to Saturday, July 8th, 2023.
- HISTELCON, a flagship conference series of the IEEE Region 8 held every two years and dedicated to every aspect of the history of electrical, electronic and computing engineering and their impact on social and economic development, will be held in Florence, Italy, on 7-9 September 2023
- SSIE, the 32nd Summer School of Information Engineering for PhD students, will be held in Bressanone from July 10 to 14, 2023.
